Mayors Message – Hyrum City has recently been working to update our Emergency Operations Plan. The plan is designed to comply with all applicable local ordinances and resolutions and provides policies and procedures to be followed to prepare for, mitigate, respond and recover from emergencies, disasters, and terrorism events. I want to thank Blake Christensen for the time and knowledge he's given to help us with this effort.

Your preparation for an emergency is important. I encourage you to think about what your personal and family's needs would be in the event of an emergency. The website www.bereadyutah.gov provides information to help you with your planning and preparations.

Sincerely,
Mayor Stephanie Miller
