Mayors Message – I occasionally have the privilege of meeting with school & scout groups to talk about what “community” means.

Years ago, when everyone picked up their mail at the post office, you were able to interact and visit with others in the community. Times have changes and most of us have mail & packages delivered to our homes. As technology improves, we seem to spend less time talking face to face with others.

To feel a “sense of community,” members of the community need to interact and care for each other. We each need to be doing something together that is worth doing and makes belonging to the community matter.

Citizens who saw the need for a Senior Center & Library came together and donated their time, efforts, and finances to see that our community could have these services. Citizens also participated in building the Salt Hollow Park, and recently cleaned headstones in our cemetery. Serving in the community is shoveling a sidewalk that needs shoveling, cleaning debris out of a storm water grate, cleaning up after animals, taking care of homes & yards, assisting a neighbor, participating in local events, picking up garbage, volunteering in the city & schools – the list could go on and on. What is important is that when you see a need, do something about it.

As a city we have a 4th of July Celebration, Easter Egg Hunt, Hyrum Holiday at Hardware, Night Out Against Crime and many other events to help bring our community together.

I am grateful to live in Hyrum! It is a great community to live, and I am proud to call it home!

Sincerely,
Mayor Stephanie Miller

Museum News – Did you know that prior to Mormon pioneer settlement, bison roamed throughout Cache Valley? Have you seen the white bison currently on exhibit at the museum? Blonde-colored bison carry a very rare genetic trait that only appears in about one in every ten million births. Be sure to come see the white bison along with other interesting local specimens during our special Second Saturday event on March 12th. We will be learning all about Cache Valley's Nature through special artifacts, activities, and artwork. The museum will be open from 10:00 a.m. to 3:00 p.m.

Don't miss the experience of watching Encanto on the big screen at the Elite Hall on Friday, March 4th. Doors open at 6:30 p.m. and the movie will begin at 7:00 p.m. It will be so fun to dance to the wonderful music of Encanto on the spring-loaded floor for our final FREE Family Movie of the season. You're welcome to bring pillows, blankets, bean bags, camp chairs, etc. and your own dinner and/or treats. This is a free public event, and everyone is welcome!

We are so excited to partner with Stokes Nature Center for this month's Back in Time Children's Activity, Firefly Fun! on March 22—24 from 1:00—1:30 p.m. each day. We will learn all about fireflies and read a story that visits a few places right here in Cache Valley. We will also complete a fun art activity and have a treat. All children are welcome, and sign-up is encouraged.

Planning is well underway for the museum's annual car show fundraiser, Hot Wheels in Hyrum, on Saturday, June 11th at the Hyrum City Square. We are currently taking applications for food vendors and looking for sponsors. Visit the museum's website or contact Courtney at ccochley@hyrumcity.com for more information. Vehicle registration is open and available at the museum or on our website.

Finally, we want to recognize the time, talents, and support of the Hyrum City Museum Board members who volunteer to make our community a richer place. Our Board Chair is Steve Downs, Vice Chair is John Petersen, Recorder is Leisha Kunz, along with members Kathy Kingsbury, Linda Christiansen, and Curtis Parkinson. Additionally, we are excited to welcome Kim Faulkner to the board and thank Patt Hansen for her service as she moves onto other adventures.
