With automatic aid to:

Wellsville

Paradise

Avon

Logan

Cache County

February 6, 2013

Dear Mayor & Hyrum City Council:

Hyrum Fire Department would like to report on the incidents for 2012. We have had a total of 201 calls for this last year. This was an increase of 46 calls comparing to 2011 total calls of 155. Out of that number 90 were in Hyrum City, 64 in Nibley, 9 in Millville, 18 in unincorporated areas of Cache County and 20 others provided to neighboring communities under the mutual aid agreement..

Last year our members provided 601 hours of service to the community. In service we include public meetings, parades, night-out against crime, tours for cub & boy scouts, any other social or family groups, visits to schools and any other educational request. We also gave 1204 1/2 hours for training and they provided 2325 hours responding to calls. The FEMA has set a national average of \$21.00 per hour for the worth of a volunteer's time on the Fire Department. This means the personnel's time given for service and training is worth close to \$37,915.50 to the community.

For your information it cost about \$ 9,863 per fire fighter for personal protective equipment (PPE) and certification. The average cost of a fire engine / pumper is over \$350,000, a 3,000 gallon water tanker/tender is \$285,000 and a 300 gallon water tank on a one ton truck is about \$95,000. We have added 7 new members to the department at the end of the 2012 year, bringing us a total of 35 personnel on the department. As the cost of equipment keep escalating, we feel that the value of the fire service is a great deal for each community.

Members of the Hyrum Fire Department are proud to serve the citizens of Hyrum City and be a part of the traditions and history that makes up the Hyrum Fire Department and the community of Hyrum. We would like to thank the Mayor and city counsel for the support that you give the fire department for equipment and training.

We all thank you

Chief Kevin Maughan

Dear Mayor & Hyrum City Council:

Hyrum EMS Department would like to report on the incidents for 2012. We responded to 171 calls for help this last year. All 171 calls were within Hyrum City response area.

The EMS department has 14 EMT, 8 EMT/ FF and 6 EMT, with 2 new EMT's starting class in March.

Last year our members provided 298 hours of community service. Community service includes parades, night-out against crime, tours for clubs & boy scouts, CPR classes, first aid merit badges, emergency preparedness merit badges, visits to schools and any other educational request. We also gave 388 hours for training and we provided 615 hours responding to calls.

Members of the Hyrum Fire / EMS Department are proud to serve the citizens of Hyrum City and be a part of the traditions and history that makes up the Hyrum Fire / EMS Department and the community of Hyrum. We would like to thank the Mayor and City Council for the support that you give our dept for equipment and training.

We all thank you

Dear Mayor & Hyrum City Council:

Hyrum City CERT would like to report on the program for 2012. As of Jan 1st 2013 we have 73 trained CERT personal in Hyrum City.

Training is done once a month in Hyrum City and once a month at Cache County Sheriff's office with other Community Programs.

The CERT Team is made up of Citizens of Hyrum that have a great desire to help themselves and the community they live in.

Last year our members provided 122 hours of community service. Community service includes night-out against crime, teaching emergency preparedness, Safety Fairs, ect. We also gave 530 hours for training.

Members of the Hyrum CERT Team are proud to serve the citizens of Hyrum City and be a part of the community of Hyrum. We would like to thank the Mayor and City Council for the support that you give us for equipment and training.

We all thank you

Chief Blake Christensen
