

**ELECTRONIC SIGN PERMIT
JENSEN MOTORS
19 EAST MAIN STREET
PLANNING COMMISSION MEETING
JUNE 14, 2018**

Jensen motor is proposing to add an electronic messaging sign to the west side of their building. It is going to be 38" X 76". It appears to meet the requirements of the city code. It will be within 200 feet of residential, but the sign will be at the front portion of the side of the building, and relatively small, so it should work out Ok as proposed. If there is a problem it can be required to be shut down, or toned down, at night.
